

Teach Korea Corps

June 27-28, 2017

June marks the end of the school year, but teachers know that the summer break goes by very quickly and September is right around the corner!

ERI provides a great opportunity for educators to participate in an interactive curriculum-building program with a focus on Korean culture, arts and humanities through its 11th Annual Teach Korea Corps (TKC) Teacher Workshop two-day program. This year the program will be offered on June 27- 28 and runs from 9 am to 3 pm and will be held at Celentano Museum Academy, 400 Canner St, New Haven, CT 06511. The theme this year is “A New Look at Korea’s Division: Conflict and Peace through History, Culture, and Art”. Attendees will be provided with a comprehensive syllabus and a delicious traditional Korean lunch each day with registration.
